Redistribution Committee,

RE: Submission for the redistribution of the Division of Warringah and Mackellar

I make this submission as an elected Northern Beaches Councillor for the Ward of Curl Curl. Curl Curl falls within the current boundaries of Warringah and Mackellar, from Queenscliff and Freshwater in Warringah to Dee Why and Narrabeena in Mackellar.

Based upon my knowledge as a Councillor of 6 years and working with my communities across the Warringah and Mackellar current boundaries, I support the submission of Zali Steggall OAM MP that:

- the boundary readjustments at the Northern and Southern end of the Warringah electorate offering two alternative suggestions to the Commissioners, one based on a significant man-made border to the west, the Warringah Freeway (Option A) and the other following the NSW State Government electoral boundaries for the seat of North Shore (Option B).

Your sincerely,

David Walton
Councillor
Northern Beaches Council
