Dear Committee,

Re: Suggestion 34 (Zoe Daniel MP) Redistribution of Victorian boundaries in Goldstein

I hoped to add my voice into the redistribution of electoral boundaries of Goldstein. I am a resident of North Brighton where my activities and shopping are centred around:

- Elsternwick Park and the Elster Creek canal reserve (we are dog owners)
- Yalukit William Nature Reserve
- Elwood Lide Saving Club (as ex Life Saving and Nipper members)
- Ormond Rd shopping centre.

Similarly, we have friends who are living in the Macnamara section of Elwood , who access services in Goldstein including:

- Elsternwick Primary
- Elsternwick Tennis Club
- Elsternwick Park

Our communities in North Brighton and Elwood, south of Glen Huntly Rd, form a clear contiguous community and it would make sense for us to share the same federal representation, as we do at a state level.
