Subject: Multi-voters Herbert [DLM=For-Official-Use-Only]

For-Official-Use-Only

Folks,

16

We are conscious of the time imperative to understand the extent of multi-voting in the electorate of Herbert, but equally the importance of ensuring multiple marks are dealt with entirely appropriately and in a manner to withstand (potentially) significant external scrutiny.

With this as a backdrop, the AFP Commissioner has agreed that the AFP will work with us to jointly review the identified instances of multiple marks in Herbert. I have a telecon scheduled with the Deputy Commissioner on Sun to confirm the details for the joint review process. However, it is likely that this joint review will commence on Mon.

I will update you all on the outcome of the telecon as soon as possible afterwards.

Pablo – can we please catch up via telecon tomorrow to confirm the status of our multiple mark assessment for Herbert and confirm we have staff available to work with the AFP starting on Mon. And, it would be good to have you on the line to the Deputy Commissioner on Sun too, if you were available. Suggest we discuss.

Regards,

Kath
