To Whom it may concern,

I support the submission suggestion for the renaming of the Casey Federal Electorate. The FEA Executive have had this as a matter to submit to the AEC. The relevance of the name Casey is lost in the mists of time. Baron Casey - a Governor General who lived in Berwick is the honoured one. There is another very good reason to do this and that is for us not to be constantly mixed up with the City of Casey.

We can have pride in the name of William Barak who was a leader, communicator, artist and highly respected Elder of the Wurundjeri peoples. The name Barak has real relevance in this area.

Kind Regards
