For the past four years we have been living in the federal electorate of Cowan, we have established an excellent relationship with our elected member, Dr Anne Aly, particularly with her involvement and support with the highly respected "Wanneroo Community Arts Exhibition and Awards. Anne Aly is committed to these Exhibitions and in supporting her Artistic constituents that like us in live in Ashby WA. To suddenly have to lose her support and her commitment to the arts, for those artists, like us, whom live in Ashby which is Cowen, caused by is boundary distribution **extremely unfair to her constituents**. This proposed Electoral distribution, places us in Pearce, where current circumstances leave us with little confidence of adequate federal representation. Our contention is that the expected population growth in the northern suburbs is adequate to maintain the current boundary between Pearce and Cowan, thus minimising the disruption that changing boundaries can cause in working relationships between constituents and their parliamentary representatives."

Warmest regards
Paul and Ann Harkins
