I am objecting to Stirling in Western Australia losing a federal seat in parliament- the city of Stirling is the largest council in Western Australia and represents a vast majority of inclusive people if you want to cut/ which is highly unconstitutional /a seat from Western Australia you have my blessing to cut Christian porter electoral of Ellenbrook his brought nothing but shame and humiliation to our state and whilst he has engaged a defamation lawsuit against abc and abc journalist whilst overseeing defamation laws is a conflict of interest and his standing in our community has demised to a no confidence thank you for listening to me and my concerns
