Electoral Roll Data

ERA release schedule

48th Parliament of Australia

The Electoral Roll Access (ERA) release schedule provides release dates for electoral roll data extracts.

These dates are indicative only and are subject to change. The AEC endeavours to schedule ERA extracts around federal events. If a federal event change to the schedule is made, an announcement will be published within ERA, and an updated schedule issued.

November 2026 to January 2027

Download cycle	Release during the week commencing:
345	09/11/2026
346	07/12/2026
347	11/01/2027

Further information about ERA and electoral roll data is available on the AEC website.
