(Subject:- No objections to reduce WA Entitlement from 16 to 15 members in the house of representatives)

Dear Staff,

On Saturday March 27 2021, the West Australian published a full two page advertisement inviting objections or comments from the general public with regards to reducing Western Australia's Federal Electoral divisions from 16 to 15 members of the House of Representatives. I fully support this amendment and would not mind if Western Australia's entitlement was reduced further. I do wish to put forward my no-objection to this proposal.

Yours Sincerely,

ALBINO DSOUZA
