Thanks Giles,

Shawn – I called Mr Churchill back just now.

Other than telling me they'll be putting documents in sometime tonight or tomorrow morning, I'm not really sure what else he wanted. Will talk to you more about it in the morning.

Cheers,

Alex

Alex,

Darren called to check if we had received Charlie Bell's submission and also said he and Roger Howe would be submitting something this evening or in the morning.

I didn't give him any commitments about decisions needing to be made by delegate's or the like, I just said that you would need to first consider Charlie's submission, John Davey's submission and any other submission we got from Darren/Roger shortly.

He asked if you could call him back when you get a chance, though I mentioned that might not be until tomorrow.

Cheers,
