Dear NE Members,

I have been unwell since last night. After seeing my GP this afternoon, I am unable to attend tonight's meeting. As apologies from David and Roger indicate that we will not achieve quorum (and the National Secretary is unable to chair in my absence); also apologies from Bruce and Max indicate that we will have few officers present, I have asked the National Secretary to advise of a rescheduled date for the meeting.

Regards,
Darren

Hi Roger and Robin (cc Trevor),

The ACT Division voted tonight to allocate my ACT President proxy to the new Deputy President, Trevor Jenner. The priority list is:

- Trevor Jenner (Deputy President/General Secretary)
- Anthony David (immediate past Deputy President and senior member of the Division)
- reverts to Darren Churchill (ACT Division President)

All subject to availability.

In the event of the proxy reverting to me, I reserve the right to allocate it to any member of the ACT Executive as needs may determine.

Robin - please add Trevor to the NE List and create an @democrats.org.au alias for him. Trevor's email address is: the.jenners@internode.on.net

Regards,
Darren

Up until the domain was made unavailable on 27th January 2013, NE business was notified and sometimes discussed vi the NE List (NatExec <ne-members@democrats.org.au>). That list changes from time to time and is maintained by Robin Davis. The list included here is the list which was notified of the September 4th (scheduled) and September 18th (postponed) NE meetings.

Hi Robin,

Thanks for that.

Tim and Paulene are not the substantive vote-holders for their Divisions. Rick and Trevor should be included because Roger and I (the substantive vote-holders) have other positions on NE. Therefore Rick and Trevor are standing replacements for us.

In WA and Tas, the substantive vote-holders are Paul Young (locum president, as Deputy Pres) and Josh Mitchell (President) respectively. They do not hold other positions on NE, and therefore should be on the list ahead of Tim and Paulene (who only sub for them when Paul and Josh are unavailable). Paul and Josh are expected to exercise their own votes under normal circumstances.

Best Regards,
Darren

Below is the current NE list. I noticed you were still listed as Acting National President and have changed that to Senior Deputy National President.

I also noticed I had not yet added Trevor Jenner as ACT rep but have done so now and will set up his alias today.

Yesterday Roger forwarded on to me notifications of the appointment of Pauline Hutton as TAS proxy and Tim Neal as WA proxy, so I guess it would be appropriate to add them to the NE list now (before they explode)?
