

Friday 31st of December 2010

To the Australian Electoral Commissioner

As per the attached copy of a letter dated Wednesday 04th August 2010 I as an Independent Federal candidate for the Cook division did not change legal status from elector to voter in Federal Election 2010. By so doing I retain the legal/regal power of the Cook electorates 100,000 plus electors. I will not voluntarily on-surrender that power so entrusted as it would be a betrayal of that trust and I could not otherwise be a true representative of those elector/voters or the Nation as a whole. Also because of a letter lodged at the Office of the Governor General of the Commonwealth of Australia dated 31-12-10 (copy attached) I will delay the lodging of my Candidate Return for Federal Election 2010 until at least a response to that letter is received. Included and also attached is an Election Petition and its annexures which accompanied the said letter to the Office of the Governor General. Please ensure that the Cook divisions ballot papers are not destroyed until I exhaust all possible legal avenues in regard to the stated Election Petition.

Yours sincerely,

Graeme Edwin(a) Strang

Independent Federal candidate for Cook
