Dear Nicole, Amy and Becky

(Tom, Max and Jeff – for your information)

Thank you for providing the draft report for the proposed redistribution of the ACT at the Committee's meeting today.

I have a few comments on the draft report for your consideration:

(4) Pages 29 and 30 – the list of honours received by Emeritus Professor Fenner should prioritise the more significant honours he received, and in particular the Companion of the Order of Australia awarded in 1989 and the Companion of the Order of St Michael and St George awarded in 1976.

Please let me know if any comments need clarification.

Regards
Andrew
