Good morning,

Apologies for sending this material out later than intended. Attached you will find:

- Agenda
- Minutes from the last meeting
- Analysis of shortlisted names for discussion at the meeting – this analysis incorporates the shortlisted names agreed at the last meeting, in addition to some extra names suggested by Committee members. (Please note this is on A3 and may be best printed single sided.) There is a very long document including obituaries and various other materials should any Committee member be interested in reviewing some additional material about the short-listed names. I have also attached some material which has been most kindly supplied by the ACT Place Names Committee.

Regards,

Make sure you're **enrolled to vote.**
