

FOI REQUEST LS5638

Request for:

A project plan which outlines the timeline for changes to EasyCount with regards to the recent legislative changes.

A document specifying that the changes were completed on time.

SCHEDULE OF RETRIEVED DOCUMENTS

Document No.	Description	Date	Recommendation/decision
1.	Project plan that outlines the timeline for changes to EasyCount and reports against implementation of each element of the plan.	9/07/2016	Approved
1.1	Document No. 1 does not contain exempt material.		
1.2	Nothing in Document No. 1 would contribute to unmasking the trade secret in the source code of the EasyCount software.		
1.3	Nothing in Document No. 1 would disclose information that would, if disclosed, diminish the commercial value of the EasyCount software.		
1.4	I recommend that access be given to Document No. 1.
