## **FOI REQUEST NO. LEX3422**

## Request for:

- 1. Current version or the most recent previous version of policies, guidelines, directives, rules and procedures governing the processing and handling of complaints about interference with the privacy of individuals.
- 2. Current version or the most recent previous version of policies, guidelines, directives, rules and procedures governing the following:
  - a. Management of online access to the Australian electoral roll.
  - b. The detection and prevention of unlawful disclosures of protected information via the AEC's website.
- 3. What measures are currently implemented to detect suspicious or excessive access, via the AEC's website, to protected information held on the Australian electoral roll.
- 4. How many times protected information held on the Australian electoral roll was accessed, via the AEC's website, from a narrow range of IP addresses during the past 3 months.

## **SCHEDULE OF RELEASED DOCUMENTS**
