To whom it may concern

I am writing to object to the proposal I have heard to split up the Dorrington community into different seats in the Parliament.

I don't think it makes any sense because we are all in the same suburb. Unless you have a base pass to get into Enoggera Barracks, and not many people do anymore, we can't drive from our homes west into the Ryan area, we can only drive east in the Brisbane area and that is why it makes sense to keep us there.

Yours faithfully
