

THE FEDERAL
REDISTRIBUTION
QUEENSLAND

Objection Number 20

To the redistribution committee

Dorrington is a special, tight knit community that we all love. We have heard that there is a proposal to split us off from the electorate of Brisbane and include us in Ryan.

Splitting our suburb in half makes no sense at all. We are pleased to be constituents of Brisbane and think we are a better fit in Brisbane than in Ryan.

Please leave us as part of Brisbane. Thank you for your consideration.

Yours sincerely

Sylvia Richmond
