

THE FEDERAL
REDISTRIBUTION
QUEENSLAND

Suggestion 17

Jason Bartels

1 page

As Councillor for Division 1 Bundaberg Regional Council, I have been asked by the residents in the northern areas of my division, which include Moore Park Beach, Avondale, Yandaran, Miara and Winfield to submit a request to have the boundaries of the Federal seat of Hinkler extended to the north to include all areas that are in the Bundaberg Regional Council Region. It is believed that the areas would receive better Federal representation by having a Federal Representative that lives locally and has ties with the area. Residents in these communities request that they be returned to Hinkler Electorate instead of Flynn, in which they we have no connection to at all. As a Local Government Councillor, my job would also be made a lot easier if I only had to deal with one Federal Member when addressing issues that concern my region.
