Attachments: vic-Mr Robert A Baker-.docx

South Australian Redistribution comment on objections uploaded from the AEC website.

Name: Mr Robert A Baker

Organisation:

Address: ,

Phone number: [REDACTED]

Additional information: I raise the strongest protest against the Labor Party submission of objection to the Member for Bootby merely enlightening and advising of proposals to change voting electorates for the next election. I consider it is the prime responsibility of the Member to communicate and inform constituents of what may directly impact on their lifestyle.
