To the Redistribution Committee for South Australia,

I write to make suggestions to the South Australian Federal Redistribution currently being undertaken by the Australian Electoral Commission.

I am a constituent of the Federal Division of Mayo.

I do not believe that the Division of Mayo should be abolished in this redistribution process. I note that the committee responsible for managing the redistribution must consider;

1. Communities of Interest within the proposed electorate, including economic, social and regional interests.
2. Means of communication and travel within the proposed federal electorate
3. The physical features of an area of the proposed federal electorate.

With these criteria in mind, I do not believe that the Division of Mayo should be abolished.

#### Communities of Interest

As a constituent of Mayo, I know that the collaboration between Federal and Local Government is incredibly important. Mayo includes the entirety of the Adelaide Hills Council, Mount Barker District Council, Alexandrina Council, Victor Harbor Council, The District Council of Yankalilla and the Kangaroo Island Council. To abolish Mayo and split these councils between two or three electorates would mean that my local community is not represented consistently.

The community of Mayo has shared interests and passions. Mayo has the highest percentage of volunteers in Australia, which speaks to our shared community spirit. Many of us like to attend local country shows or gather to watch the local sporting teams play on the weekend.

In an economic sense, Mayo contains the vast majority of South Australia's horticulture industry and seven distinct wine regions. I believe it is better that these important businesses in our community are represented by someone who understands the issues they are facing, rather than being represented by someone based in the metropolitan area.

At the recent election, the results from the ballot boxes show a consistent vote for our current independent Federal Member. I believe this shows a want across the region for an independent voice in Federal Parliament, and it would be disappointing if this voice was silenced due to the electorate being abolished.

I hope you will consider my submission, and that you will see fit to keep the Division of Mayo as one of the ten electoral divisions in South Australia.

Yours sincerely, Ian Rudd
