VIC Enquiry

Name: Jones, Lorris

Question: Is the electorate of McMillan going to undergo redistribution and is it's name to be changed?  
( I agree with the suggestion of a name change away from McMillan for reasons of historical stigma but would prefer an appropriate local aboriginal name than yet another tribute to Sir John Monash as has been suggested ).

Thank you Ann,

Yes, I would like my comment to be added to the suggestions please. I notice that the vast majority of suggestions submitted are also in agreement that the aboriginal community should have the final choice, Lorris Jones
