Re: Corangamite Electorate boundary.

To Whom it may Concern.

+ Reading the news of changes in the Colac Herald 27/11/17

I rang MP Sarah Henderson's Office a week ago & said please don't change the wonderful Corangamite Shire, but since then, I thought at least the Colac Shire Councilors can take the skills, knowledge, wisdom & experience with them to open up the Wannon <sup>Area</sup> apart from farming. & if Colac Council falters they can fall back on Geelong Council & the MP Sarah Henderson's Office for advise.

Colac Council would be currently dealing with the

Duplication of the Highway.

More Businesses could open up.

Telstra-etc.

being with the Corangamite Shire, Colac & District has advanced in many ways & Thankyou to Mr. Sarah Henderson.

So I'm hoping joining up with Wannon, that we don't go backwards.

- I hope I'm making some sense here.

Yours Sincerely - [REDACTED]
