Name: Abe Schwarz

Organisation: William Cooper's Legacy project

Address: ,

Phone number:

Additional information: As Convenor of William Cooper's Legacy project, I endorse changing the "Gellibrand" electorate to "Cooper". This would also validate the many Australians whose families were affected by the Holocaust, as William Cooper is acknowledged as leading the only private protest after reading about the terrible Krystallnacht of 1938, from Southhampton St., Footscray!
