Organisation: self

Address: [REDACTED]

Phone number: [REDACTED]

Additional information: I am utterly astonished and shocked that you would dare to name any electorate after either a John Kerr or a John Malcolm Fraser, the latter being the most divisive Prime Minister in our nation's history. What about ethnic Australians? Or famous women? BUT NOT FRASER!!! Unless it is the sports and medical Fraser family - Neil, John etc

AS STATED John Malcolm Fraser is the WTRONG man to name an electorate after or is John Kerr to follow?
