Subject: Re Objection to redistribution proposal for Corangamite
Date: Monday, 30 April 2018 7:10:12 AM

Dear Sir/Madam,

I wish to formally object to the proposed redistribution of Corangamite. I am a current employer of 30 staff, and have had a business in Colac for the last 20 years. We are part of the Geelong community and infrastructure, and have no relevance to move with Warrnambool/Wannon. I vehemently oppose any change, and wish to strongly suggest that the current boundaries remain.

Yours Sincerely,

Chris Crawford
