Dear Melanie

Further to my phone conversation with you please do not change the Boundary of Corangmite . If any changes are required at all put North of Corangmite into Ballarat and join Wannon into Corangmite , but in my opinion no changes are needed. Do not want to join Bellerine as it is to spread out, join Bellerine into Corio and leave Highton and Belmont in Corangmite
As Corangmite is an Indigenous name and very important to the Western District that is in the whole of the Corangmite boundaries.

Regards

Clare Russell
