Additional information: I grew up in West Gippsland and still live here today. This redistribution presents an excellent opportunity to re-name the electorate of McMillan. Honouring Angus McMillan is inappropriate given his legacy of violence towards the local Gunnaikurnai people. Please use this opportunity to consult with local people and change the name of our electorate to something we can all be proud of. Thank you.

Dear AEC,

Re: Changing the name of the McMillan electorate

I grew up in West Gippsland and still live here today. This redistribution presents an excellent opportunity to re-name the electorate of McMillan. Honouring Angus McMillan is inappropriate given his legacy of violence towards the local Gunnaikurnai people.

Please use this opportunity to consult with local people and change the name of our electorate to something we can all be proud of.

Thank you.

Ellen Rijs
