Dear AEC Redistribution Committee Members,

Further to our submission dated 16/04/2021 we wish to add a salient point.

The congregation we represent comprises some 1500 members many of whom are highly active both socially and communally as part of Melbourne's diverse Jewish community. They engage regularly in social and communal activities across multiple suburbs, a number of which sit outside the boundaries of Macnamara.

It is important to note accordingly that the interests, goals and objectives of the members of our congregation are varied and are not limited to the boundaries of the Macnamara electorate in any way.

Our initial submission did not stipulate this point and we feel that in the context of our submission, the AEC ought to be fully informed of the above fact when taking our submission into consideration.

Yours sincerely,

Rabbi Yaakov Glasman
Senior Rabbi
