Re: Comment on objections for 2023-24 NSW Federal redistribution

Dear Sir/Madam,

I strongly support Kylea Tink MP's objection letter against the abolishment of North Sydney electorate (objection #OB686).

I also support these substantive objections OB720, OB729 and OB719 as North Sydney's civic and democratic participation has been outstanding. I strongly support the issues relating to population projections for the North Sydney electorate – population growth does not seem to have been properly considered by the AEC in their review.

Kind regards,

Jane
