To whom it may concern,

It is unfortunate but appropriate that lines be redistributed due to a falling population in NSW (lol, no doubt due to 12 years of mismanagement by the NSW Liberals, under Berejiklian, et al., not to mention 9 years of lunacy at the Federal level under Morrison, et al.

However, taking away communities from Warringah and adding them to another seat just to take parts of North Sydney and move them around is silly.

Keep Dee Why etc., with Zali and add in North Sydney.

Warringah is a tight knit community and we would welcome with open arms our cousins from North Sydney :)

I thank you for taking the time to read my submission and for giving it its due.

Cheers,

Peter.
