Objection 106

To whom it may concern.

I am writing to express my objection to the reallocation of the Electoral boundaries for the Seat of Lindsay NSW.

I am a resident of Emu Plains and have recently been made aware of these changes.

The reason for my objections is that Residents of Emu Plains, Emu Heights and Leonay fall under the Penrith Council Area and have no ties to the electorate of the Blue Mountains.

We receive the Penrith and local area newspapers, newsletters and information of what is happening in and around the Penrith Area, however nothing from the Blue Mountains.

We are serviced by Penrith LGA for emergency services, Pay Penrith City Council for our rates, waste collection services are Penrith Again nothing connected to the Blue Mountains.

I feel this decision should be reconsidered and given that Melissa McIntosh and Karen Mckeown are locals to the Emu Plains/ Penrith area they have more a connection to the area than the candidates from the Mountains, which I have not mentioned by name as they are unknown to me.

Looking forward to your favourable decision

Kind Regards
