RE: Parkes Redistribution

Dear Sir

I OBJECT to proposed boundary change for the seat of Parkes

The seat of Parkes is already a massive area of the State of NSW.
Adding further to it will be detrimental to people of the Electorate.
Given the expanse we would be lucky to see our Member once every
three months.

That is unfair on the voters of this electorate.

We would have to be under represented just on the electorate size
alone.

It is a cumbersome task already for the sitting member to travel the seat
of Parkes.

I challenge any person to drive from West Wyalong to Tibooburra in a
day about 11 Hours non stop and 920 kilometers.

This is what is being proposed.

This has to be to the detriment of the sitting member and his or her
family as well as potentially dangerous to the member.

Again I object to this change and ask that we stay in Riverina.

Yours faithfully,

Christine Wilson
