

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Objection 272

To whom it may concern,

As a NSW citizen who has lived in the area now called Warringah for most of her life and has been a home owner in Mosman for over 20 years, I object to the proposal to take northern areas from the division of Warringah, in particular North Curl Curl, and the proposal to abolish the seat of North Sydney where I was educated and have many ongoing connections. Instead, I support:

- Keeping the divisions of Warringah and North Sydney;*
- Moving the boundaries of the division of North Sydney in a northerly direction and allowing the electorates surrounding to assume the required number of voters from Bradfield.*
- Move the boundaries of the division of Mackellar westward into St Ives and Berowra to move east to include the area around Hornsby.*
- This approach allows the areas around Killarney Heights and Forestville, Dee Why and North Curl Curl to continue the strong links they share with communities within Warringah and remain in the division.*
- On the Lower North Shore, Warringah should expand into the North Sydney LGA up to the eastern side of the Warringah Freeway, including the whole of Kirribilli, areas of Neutral Bay not already part of the division, North Cremorne and Cammeray.*

I write in support of option A as set out in Suggestion 42 by Zali Steggall MP to maintain the northern boundaries of the Warringah electorate and minimise the impact on North Sydney by pushing the south/western boundaries of the division of Warringah to the Warringah Freeway only.

As a concerned community member residing in Mosman I am concerned that the suggestions proposing abolishing either Warringah or North Sydney are politically motivated rather than focussed on accommodating expected growth, keeping together or improving representation of existing communities of interest and use of readily identifiable features.

Both the divisions of North Sydney and Warringah are engaged and politically active communities, that have helped shape the political landscape in the 2019 and 2022 Federal elections. These engaged communities are critical and will help grow the interest and debate and improve representation of existing communities of interest.

It is imperative that the composition of the House of Representatives accurately reflects the Australian population and upholds principles of gender equality and diversity. I am concerned that the current AEC proposal includes the abolition of two electorates represented by women, which does not align with the diversity of our society. I do not support either the divisions of Warringah or North Sydney being considered to be abolished.

In respect to North Sydney - I consider an improved solution would be for the boundary of the electorate of North Sydney to move in a north-westerly direction to Chatswood, as set out in the Suggestion 22 from Kylea Tink MP, and an outer metropolitan division be abolished instead, and its electors shared amongst surrounding electorates. I consider Ms Tink's proposal delivers a better boundary redistribution, accommodates the differing rates of growth and decline across New South Wales, improves the representation of existing communities of interest and as far as possible uses strong and readily identifiable features as electoral boundaries.

Yours Sincerely

Pauline Sedgwick
