Dear Redistribution Committee,

I write to object to the proposal to take northern areas from the division of Warringah, in particular North Curl Curl, and the proposal to abolish the seat of North Sydney in the NSW federal redistribution. Instead, I support keeping the divisions of Warringah and North Sydney as set out in option A / suggestion 42 by Zali Steggall MP to maintain the northern boundaries of the Warringah electorate and minimize the impact on North Sydney by pushing the south/western boundaries of the division of Warringah to the Warringah Freeway only.

As a community member residing in North Curl Curl, I am concerned that the proposals to abolish either Warringah or North Sydney are politically motivated rather than focused on accommodating expected growth, keeping-together or improving representation of existing communities of interest. It's important to me that the composition of the House of Representatives accurately reflects the Australian population and upholds principles of gender equality and diversity. I am concerned that the current AEC proposal includes the abolition of two electorates represented by women. I do not support either the divisions of Warringah or North Sydney being abolished.

With kind regards

Scott Hamblin
