Attention: The NSW Redistribution Committee

Subject: Draft plans to abolish the federal seat of North Sydney in the proposed 2024 NSW redistribution

To whom it may concern,

My name is Mairead O’Riordan and I live with husband in the federal seat of North Sydney. I have lived in the electorate since 2013, my husband has lived in the electorate since early 2000s. We own a house in [REDACTED] Willoughby, where we have completed 2 renovations. My husband additionally owns a property in Naremburn. Kevin’s daughter Aisling completed primary school in Cammeray and high school in Monte Sant’ Angelo Mercy College North Sydney.

I work in the telecommunications industry and largely work from home. We regularly frequent shops and eating places in Willoughby, Cammeray and Crows Nest for meetings and lunches/dinners etc. We have memberships at local gyms and we regularly frequent the various local parks including, Artarmon Reserve, Flat rock Reserve and Tunks Park for both exercise and walking of Maud, our Blue Heeler.

I do not believe the seat of North Sydney should be abolished because of the following reasons:

Population growth: The population right across our electorate is growing rapidly but the AEC's proposal does not account for this growth. For example, the NSW State Government plans to see 5,900 new homes built in the North Sydney LGA alone by 2029. If that growth is replicated across the four LGAs currently contained in the federal seat that would see more than 24,000 new homes built across our community. In addition to this, North Sydney Council is expecting 19,500 new residents to move into the area by 2036. This is a 27% increase in just one of the four LGAs that currently make up the seat of North Sydney and indicates that it is highly likely that to proceed with abolishing our seat now would be completely counterproductive, as arguably the case to re-establish it come 2029 will be more than obvious.

Our business community: As home to the third-largest business centre in the country, we also believe that North Sydney's businesses and industrial zones deserve the focus of a dedicated local member. North Sydney has a total of 28,000 small to medium size businesses whose needs do not overlap entirely with those of the newly proposed areas of Bradfield, Bennelong or Warringah.

North Sydney is a cohesive and engaged community: North Sydney is home to several environmental, humanitarian, religious and social groups all working together towards a better Australia. We have participated in some of these causes. It is telling that we were one of the first electorates to stand up for independent representation in 2022, and one of the few to vote for an Indigenous Voice to Parliament in the 2023 referendum. We respect and value our cultural diversity, with half of our population born overseas and a third speaking a language other than English at home. And we are home to several active and competitive sports teams, including two of the largest community-based sporting organisations in the state.

123 Years of history: The historical significance of the federal seat of North Sydney is part of our community's identity. North Sydney is one of the 75 original federation divisions contested in Australia’s first federal election 123 years ago.

For these reasons I strongly oppose the draft proposal that the seat of North Sydney be abolished and request for it to remain intact.

Yours sincerely,
Mairead O'Riordan
