I OBJECT TO THIS - Electoral Proposal for Epping town centre

MY objections are as follows

1. Objection to Berowra crossing the M2 into the Epping Town Centre
2. A strong community of interest between Epping, Eastwood and Marsfield - with a weaker link to the region north of the M2
3. Splitting the suburb of Epping across 2 federal electorates, given the years of work to keep single-seat representation in the Epping Town Centre across the 3 levels of Government.

Kind Regards

Moss Fairleigh

Dear Moss,

Recently, the Australian Electoral Commission released a proposal for new boundaries for the federal electorate of Bennelong. Their draft plan is to **remove Epping, North Epping, and Carlingford from Bennelong.**

North Epping has been part of Bennelong since 1977, and importantly, the Epping town centre has been for over 20 years.

The proposal seeks to move North Epping and the Epping town centre into the federal electorate of Berowra (crossing the M2) and split Epping at Midson Road between Parramatta and Berowra.

From feedback my office has received to date, many locals have expressed a desire to **oppose** this proposal.

The AEC is currently accepting feedback on the proposal. You can [lodge your objection here](#). Your submission should include any reasons you feel this proposal is ineffective.

The AEC considers community interests (including economic, social, and regional interests), means of communication and travel, and the physical features and areas of the proposal. A few reasons that have been given to me to date include

1. Objection to Berowra crossing the M2 into the Epping Town Centre
2. A strong community of interest between Epping, Eastwood and Marsfield - with a weaker link to the region north of the M2
3. Splitting the suburb of Epping across 2 federal electorates, given the years of work to keep single-seat representation in the Epping Town Centre

across the 3 levels of Government.

Lodge Objection Here

Since being elected in 2022, it has been a privilege to represent Epping, North Epping, and Carlingford. It would be an honour to continue to do so.

Submissions must be submitted by 6pm, Friday 12 July. If you have any questions, please do not hesitate to contact me by replying to this email.

I would encourage you to make a submission to the AEC.

Kind Regards,
