To Whom It May Concern,

I have lived in the seat of North Sydney for approximately 32 years. North Sydney is an original Federation Seat.

Why would AEC get rid of a Federation Seat?

I object to being put in Benelong comprising of Suburbs that are not my choice of living. I live in the North Sydney District for a reason and object and resent being placed into a Labor held seat.

Please consider leaving North Sydney as it is and push back boundaries into Benelong, Bradfield and Warringah broaden North Sydney district not abolish, North Sydney.

I understand the public narrative of changes to population, but I can not help but feel AEC have been influenced by political forces to eliminate this seat for political gain.

Who are the Committee members who elected to abolish North Sydney? Do these people live in the seat of North Sydney? Are there any conflicts of interest within the Committee members?

It is in the public interest to know the facts.

I object to abolishing North Sydney.
