Dear Sir/Madam,

As long time residents of Hunters Hill, we support the ongoing existence of the federal seat of North Sydney. Our reasons for this include:

1. As part of the 3rd largest business centre in Australia, we have specific needs that residents in adjoining electorates do not. For this reason we need an elected representative who understands these needs.
2. North Sydney is one of the original 75 divisions and has a long history of the elected representative understanding and serving the needs of the residents in the North Sydney electorate.
3. Implementation of the NSW government's urban consolidation plans will result in a significant increase in the population of the existing North Sydney electorate (at least another 24,000 new homes in the next 5 years).

Yours Sincerely,

Derek and Jacqueline Low
