Hi

I am a resident of Higgins .

I understand you are considering abolishing Higgins .

What's the reason for that .

Don't we deserve a voice . And don't think because it is a liberal stronghold you can just abolish our representation . You will note at the last election we voted in a labour member so we can be heard.

Whose going to represent us in Canberra .

The crazies in Stonnington council are already not representing our interests now the one piece of representation your having your taking away . Weve got Chadstone shopping centre that just keeps growing and destroying the street scape . Don't forget this inner suburb is getting backfilled with a lot of multi storey developments close to the train stations so the population is growing . Costello came from this seat and previous prime ministers .

We don't want the seat abolished. We want to be represented
