

Objection 30

Marco Nazzaro

1 page

Reasons for the objections:

- the historical significance of the seat named after Justice Henry Higgins or that it has been the seat of two Liberal Prime Ministers: Harold Holt and John Gorton.
- the community implication of dividing the City of Stonnington, and well established community of interests (shopping, sporting, health, aged care etc)
- patterns of interaction that are now divided across the electorate, such as transport patterns, economic, sporting and cultural ties
