I am writing to encourage the AEC to retain the electoral district of Higgins. As a resident of Higgins, I have found it extremely important and valuable to be able to engage with a representative who knows our local needs so well. We have been fortunate in having an MP who is responsive to her constituents and responds to correspondence in a speedy, thoughtful and direct manner. This is possible in part because Higgins is a cohesive, well-defined electoral district. The residents of Higgins share common concerns that have been addressed viably and effectively on a local level. If Higgins is dissolved and its neighbourhoods absorbed into other districts, it will be far less likely that our local needs will be viewed in a serious manner. I believe the provision of local access and care is a major point in deciding the distribution and boundaries of electoral districts. My neighbours and I feel very strongly that our democratic rights to representation and access will be negatively impacted if Higgins is dissolved, and we keenly urge you not to take this route. We are very grateful for your time and service to the community. I would be happy to discuss this further by email or telephone.
