Hi

Please find our family objection to abolishment of Higgins

We live in Glen Iris and the idea that we will be part of Chisholm is so different from what we currently have.

We are inner East who traverse between Boroondara and Stonnington.

Your electorate borders should be more in line with the local communities, not a long electorate that goes from Hawthorn East to past Box Hill. Completely different communities with different in need of very different representation!

I understand that some redistribution needs to happen but needs to look at the local communities and how they are different.
