Melbourne, 3000

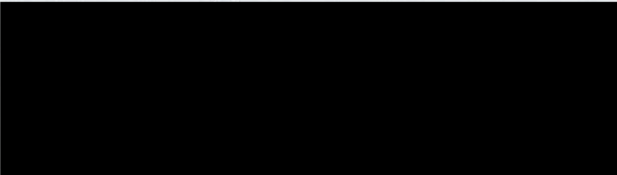

To Whom it may concern,

Re objection for the 2023-2024 Victorian federal redistribution.

I would like to lodge an objection to the federal redistribution and deletion of the electorate of Higgins.

I believe that Higgins should be retained so that our local needs can be addressed. I feel that a larger, merged electorate would not look after the specific character of Malvern and Higgins.

Yours sincerely,

A large black rectangular redaction box covering the signature area.
