

# Objection 301

1 page

I have lived in the Higgins electorate for 28 years. The electorate has had two prime ministers (Harold Holt and John Gorton), one of the best Australian Treasures ever (Peter Costello) and two of the best women representatives the conservatives have ever had (Kelly O'Dwyer and Katie Allen).

With such a rich history and talent in Higgins, it would be tragic to lose this seat. I implore you not to abolish this successful and treasured seats.
