Objection to the Abolition of Higgins

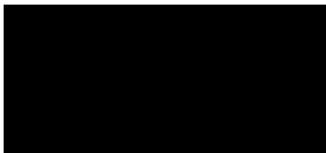

It is with grave concern that I view the AEC's recommendation to abolish the Federal seat of Higgins.

Our community representation in Canberra should not be divided – we must remain a united community. We need a single strong advocate; not have our views, needs and desires divided between five Federal Members of Parliament.

It is clear that community groups, not-for profit groups and businesses have reflected these concerns. Abolishing Higgins will fragment our community's representation in Canberra.

I wholeheartedly agree with the community sentiment: Higgins should remain, and I hereby lodge my objection to the abolition of Higgins.

Sincerely
