1. Rather than take in parts of Durack and O'Connor the new division should focus on eastern parts of Perth and the Metropolitan area that way Durack can shed the rest of the parts of the City of Swan uniting it in less divisions than is current and thus reducing the crossing of Metropolitan/Regional boundaries from 3 divisions to 1 so Canning is the only division that needs to.
2. Forrest and O'Connor do not need any changes as they are already at quota.
3. While Moore is at quota also adding in Karrinyup from Curtin and then shedding voters to Cowan is a better option than what I suggested in my revised redistribution.
4. It would be better for Fremantle to simply take in Bicton along the Stock Road from Tangey thereby bringing Tangey to quota and then Fremantle can shed everything east of the Kwinana Freeway to Burt.
