Submission on the proposed ACT redistribution details

Category: Boundaries

Details: Macquarie should not be separated from cook and Aranda, but separating macquarie from cook doesnt work Redfern street is not a significant divide. There is a significant barrier of coulter drive between weetangera and hawker and macquarie. Why are you not using the physical natural barriers as divides, I understand numbers matter, but having Crace in Canberra when it very much sits in gungahlin and Fenner, doesnt make sense when their needs and amenities sit in gungahlin.
