# Jones, Richard - Redistribution ACT - Submission on the proposed ACT redistribution

## Personal details

**First name:** Richard  
**Surname:** Jones  
**Email:** [REDACTED]

## Submission on the proposed ACT redistribution details

**Category:** Boundaries

**Details:** I note that the proposed redistribution moves 3 streets in the Weston Creek suburb of Duffy with just over 100 electors from Bean to Canberra. This removes these electors from the electorate that geographically covers the rest of the Weston Creek District and it's associated government facilities including Priority Enrolment Area schools. For example, we have always voted at Duffy Primary School, the government primary school our children attended, and supported the fund-raising activities run in conjunction with elections. If the proposed redistribution is adopted, this polling booth would be outside our electorate. Given the small number of affected electors, there seems little benefit in separating this small section of Weston Creek from the rest of the district.
