Lee, Nathan - Redistribution ACT - Submission on the proposed ACT redistribution

Personal details

First name: Nathan

Submission on the proposed ACT redistribution details

Category: Names and Boundaries

Details: Fenner gets Whitlam. Canberra gets Coombs and Bean gets Denman Prospect and Wright with John Gorton Dr being the division boundary. This would be a more equitable distribution.

On the matter of the name, I propose Ngunnawal after the traditional owners of the region. Compared to many Australian cities, Canberrans are aware and proud of Ngunnawal people and their continuing connection to the region. This would serve for any of the 3 electorates, but Bean would be the best choice as many Canberrans likely think it's currently named after the Rowan Atkinson character.
